PRESIDENT'S REPORT FALL '15

Another year in the Danes SC is almost over. 39 years of kicking the ball around, amazing! The Fall Session of the GSSL is about half way through with 2 teams entered. The O-40's in SC1 are in a tough division & currently toward the bottom & the O-55's in T1 are in the middle of the pack. With a few injuries & work obligations, the teams still seem to have enough players, so we're happy for that. The club has welcomed a few new players since the spring session & summer practices, but Henning Vinter & his wife Lotte just moved back to Denmark after a 3 year stay. They will be missed. Keep on recruiting anyone, who you think might enjoy the club!

The year has been quite eventful with the district bowling tournament in B.C. in February & The Danevitational Golf tournament @ Elks Allenmore in June, with 32 joining in. Thanks to everyone who attended, brought prizes & helped! Our usual practices @ Marymoor on Thursdays were well attended with around 10 members plus minus on any given day for a run around, refreshments & banter. Mange Tak! Once again to Kenneth for hosting the summer's end BBQ for the Club @ his place. We were around 20 in attendance for the Summer Finale!

The 39th annual club party will be held on Nov. 21 @ the NW Danish Center. Please contact the board if you're available to help w/set up or clean up & Raffle items! Mark your calendars, Save the Date, October 1st, 2016 for our 40th year Gala at the Leif Erikson Lodge in Ballard. Please inform any former members of the event. For the good of the Club & for the good of the Game. Skål Tage

O-40 TEAM REPORT

We came out strong with a win in the first game and have since been on a slide to 2nd to last place with a record of 2-5 and a goal score of 9-12 most games have been very equal and losses has mostly only been with a goal difference of 1.

4 games left of the season and with luck and some good aggressive soccer we could end up 1 above 500.

Unfortunately we lost Torben to a torn ACL in the very first game and Michael in the 2nd match with a broken elbow both very much missed on the field.

3rd half however have always been a strong one and we have always walked a way with a win there.

Cheers

--Poul Pedersen

OVER 55 FALL TEAM REPORT

The O-55 Lodge 29 Danes have been moved up to the top T1 Division of the GSSL after wining the spring division in T2. We lost the first 3 games & thought we might not win a game? But, with the return of a few injured players & renewed vigor we won the next 3! We'll see what happens during the rest of the session. There were players coming & going for the first few games so we didn't play as well as expected, but now we're back on track & playing quite well. We have a good group of players who enjoy the Post Game Analysis @ the local watering hole. So we're looking good for winter & spring sessions . Mvh Tage
